

John Rubino

Product designer in NYC with 4+ years turning complex AI and operational workflows into clear builder experiences. I partner with product and engineering, ship in both Figma and code, and use Devin, Codex, and Claude Code to take work from product requirement to design to production.

EXPERIENCE

BNY Pershing · Product Designer, Wealth Services Sep 2023 – Present

Enterprise wealth platform for advisors and institutions — dense, multi-step operational workflows where systems thinking and AI-enabled paths have to stay understandable for operators under real pressure.

- Lead designer on Fully Paid Lending: owned a complex product area end to end — configuration, enrollment, dashboards, and edge-case states now live in NetX for all Introducing Broker-Dealers; a March beta partner lent \$27M in a day (\$49.9k to the investor, \$10.7k to the IBD).
- Co-led New Account Opening and Asset Movement with Product and Engineering: mapped how operators actually work, then designed phased workflow improvements with clear hierarchy, reusable primitives, and covered edge cases.
- Invented AI-enabled document-upload patterns for alternative investment order entry — made automation transparent so users trust what the system is doing while drop-off fell in a document-heavy flow.
- AI-native practice with Claude Code, Devin, and Codex: pair design with code to spin concepts quickly, then iterate into polished production UI with eng partners while raising craft across the team.

Collective Design · Design Advisor 2024 – Present

Advise early-stage AI and product startups on builder-facing interaction craft and product strategy when there is no playbook yet.

Purple Panda Rentals · Product Designer & Founder Sep 2020 – Feb 2023

Founded and shipped a consumer product 0-to-1 in Figma and code — end-to-end flows from concept through production UI. 100+ sign-ups, 20% referral increase.

WRITING

Design Thinker — public writing on AI tools, design systems, and craft. johnrubino.substack.com

EDUCATION & CERTIFICATIONS

College of Staten Island

B.A. Music Technology · 2014–2019
